I would like to take this opportunity to thank you for choosing *Nova Sounds Music Services* to be a part of your special day! It will be a day you will remember for the rest of your lives.

I have enclosed a couple of forms to help us organize your wedding dance. The first form is used as a guide to:

1. Help us reference your immediate Family & Wedding party by Name!
2. Arrange a time to set up our equipment, eliminating interruptions on your Day!
3. Determine how you want your wedding dance to flow!
4. Plan ahead, making sure we can locate all the songs you want for your night!
5. Add any other ideas you have to help us make your night a Special One!

The second form is a page for Song Requests. It might be a song that holds a special place in your heart, or simply one that you haven't heard in a while. This sheet can be copied and passed on to friends and family. This is a great tool to help us determine what type of music your guests want to hear so we can keep the dance floor packed all night long.

There's no great rush to have these forms back to us, and nothing is ever carved in stone. Changes can always be made even the night of the Dance! Just keep in mind that we can't always guarantee your songs, unless the forms are returned within two weeks of your Date. We also prefer to meet with couple close to their date to go over any questions or concerns you may have.

If you have any questions please feel free to contact us anytime at (902) 695-5749 or (902) 754-7702 or email us at novasounds@eastlink.ca

Thank You Very Much!
